- Wear Rating** Classified 32 under international standard EN685 rating, the Now Collection can be used in all areas of commercial and residential applications. Please contact The Andrews Group for specific recommendations on area and colour selection.
- Warranty** The Now Collection is warranted for 10 years in areas defined as fit for purpose. The terms and conditions of this warranty are available on request.
- Fire Rating** The Now Collection has a Critical Radiant Flux (CRF) rating of 7.4 kW/m<sup>2</sup>, and a smoke developed rating of 189 %mins, as tested to ISO9239.1. This allows the product to be installed in any areas of a commercial building under the requirements of the National Construction Code (NCC).

# Now Collection

## Technical Specifications

- Slip Rating** The Now Collection is rated R10 under the Wet Oil Ramp test as defined in AS4586. The Now Collection is rated P3 under the Wet Pendulum Test as defined in AS4586. These ratings indicate a reduced risk of slip with this product.
- Sound Rating** The Now Collection reduces impact sound by 12 decibels when adhered directly to a concrete slab. The Now Collection reduces airborne sound by 5% when adhered to a concrete slab. This is comparable to the effect that direct stick carpet would achieve.
