

Bolon Fact Sheet

Missoni Home

BOLON

Missoni Home

Bolon

Bolon is a textured woven flooring, consisting a profile section PVC warp (vertical weave), with a PVC encased polyester weft (horizontal weave) fixed to a plasticised PVC backing with an interlayer of fibreglass. The Missoni Home collection includes 13 articles and is available in roll and tile form.

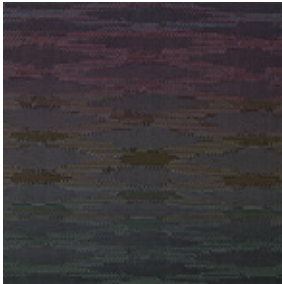

Design

Combining Swedish design and Italian fashion, Bolon and Missoni join forces to launch a new flooring collection, Missoni Home. The collection is an iconic expression of colour and pattern, with shared values of craft, heritage, family and sustainability at its core..

- Wear Rating** Classified 33 under international standard EN685 rating, the Missoni Home Collection can be used in all areas of commercial and residential applications. Please contact The Andrews Group for specific recommendations on area and colour selection.
- Warranty** The Missoni Home Collection is warranted for 15 years in areas defined as fit for purpose. The terms and conditions of this warranty are available on request.
- Fire Rating** The Missoni Home Collection has a Critical Radiant Flux (CRF) rating of 8 kW/m², and a smoke developed rating of 189 %mins, as tested to ISO9239.1. This allows the product to be installed in any areas of a commercial building under the requirements of the National Construction Code (NCC).

Missoni Home

Technical Specifications

- Slip Rating The Missoni Home Collection is rated R10 under the Wet Oil Ramp test as defined in AS4586. The Missoni Home Collection is rated P2 under the Wet Pendulum Test as defined in AS4586 (2013). These ratings indicate a reduced risk of slip with this product.
- Sound Rating The Missoni Home Collection reduces impact sound by 11 decibels when adhered directly to a concrete slab. The Missoni Home Collection reduces airborne sound by 5% when adhered to a concrete slab. These measurements are defined by ISO 717.1/2, and mean that the product contributes positively to sound insulation in commercial and residential buildings.
